4. In John 12:23, Jesus says that his impending death will glorify him. According to John 12:28, who else will the cross glorify?
5. Read Romans 3:25-26. According to Paul, what characteristic about God did the cross demonstrate?
6. Read 1 John 3:16 and 1 John 4:10. According to John, the cross of Jesus showed us what about God?

Bringing It Home

7. The gift or action you identified in the first question said something about the giver of the gift. Likewise, the cross of Christ reveals God's glory, justice, and love. Are you grateful for God showing us these characteristics of his nature?
 8. What can you give to God that might demonstrate your response to the cross?
